Supporting Your Elevate K-12 Student

A quick guide to the main features your student will use in the Student LMS and Otus.

Student LMS

Feature	Description
📕 Course Materials	Unit & lesson sequence as well as review completed lesson content.
📑 QZ Results	Student performance on QZs. Access to QZ scores & questions with correct answers to review for additional support.
⬇ Class Recordings	Access previous lessons to rewatch or view if absent. *Please note this is set up on a school-by-school basis.*

How to access each feature in the Student LMS

Otus

Feature	Description
📐 Assessments	View list of assignments, quizzes, and assessments, as well as due dates, points given, and submission status (new, in progress, turned in, graded).
🔖 Gradebook	View student's overall average, and grades for each assignment, quiz, and assessment

How to access each feature in Otus
